

NATURE WALK AND RAINY-DAY WALK PERMISSION AND RELEASE FORM

Nature's Edge Child Development Center

Name of Child: _____

We believe in exposing our children to nature and educating them about the natural world. Our teachers lead walks around the school to allow them to discover and acquaint them with the plants and natural specimens near us. During rainy days children do not get the chance to play outside so we walk around the school to help them get their energy out. The ratio during these walks are one teacher to eight children. No special clothing is required for these walks. In order for your child to be taken on these nature walks, we need parental permission. Please indicate your preference below with a check on the appropriate line and return to our office:

- I give permission for my child to go on short Nature Walks and Rainy-Day walks around NECDC and consent to the release terms sent forth below.
- My child has no known allergies or medical conditions.
- My child has the following known allergies or medical conditions.

I DO NOT give permission for my child to go on short Nature Walks and Rainy-Day walk around NECDC

I am aware of the risks of injury and allergic reactions to outdoor activities and the nature walks noted above, and having approved my child's participation in the nature walks, I on behalf of myself, I hereby release, waive, discharge and relinquish any and all claims or causes of action for damages or injuries as a result of, arising out of or in any manner relating to my child's participation in such walks.

Signature of Parent/Guardian _____
